**Cover Story**

**46 THE CURSE OF FUEL SUBSIDIES**

The days of cheap petrol are over. Countries across Southeast Asia are learning to live with the hike-prone oil, thanks to the oil price bubble that burst.

**Asean Traveller**

**58 "DR. STEM CELLS"**

An interview with Don Margolis, the US stem cell pioneer who 'gets to the market' in Thailand.

**Beyond Asean**

**INDIA'S CENTURY**

**62 INDIA'S ENGAGEMENT WITH ASEAN**

**Exclusive Interviews**  
Pranab Mukherjee, Minister of External Affairs and Kamal Nath, Minister of Commerce and Industry, India. Fast-growing India is on the verge of implementing the free trade deal early next year with brave new Asean, and there are good reasons behind the expectations for the ties to flourish.

62

**Special Report**
